Kim Wayans
Actress & Author

Kim Wayans, Actress and now Author has so many talents. She is best known for her comical, hilarious skits on the show, "In Living Color" which was produced by her brother, Keenan Ivory Wayans in the 90's. According to Kim "We thought up the skits ourselves on the show."

Two years ago, Kim decided to create a line of children's books which would help kids to understand racial differences.

The books feature children of different nationalities. It is a way to help children to understand and appreciate different cultures. Right now, she boasts a complete series of children's books which can be purchased on Amazon. Her latest work is called, "Diggin Up Trouble." Kim has also appeared in several movies and TV series including: Dance Flick, Juwanna Mann, In the House, the Wayans Brothers, Hollywood Shuffle, China Beach and I'm Gonna Git You Sucka.
